2020 INFORMATION CIRCULAR

DATE AND CURRENCY

The date of this Information Circular is July 17, 2020, unless otherwise noted. Unless otherwise stated, all amounts herein are in Canadian dollars.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, you may revoke an executed and deposited proxy by (a) except to the extent otherwise noted on such later proxy, signing new proxy bearing a later date and depositing it at the place and within the time required for the deposit of proxies, (b) signing and dating a written notice of revocation (in the same manner as a proxy is required to be executed as set out in the notes to the proxy) and either depositing it at the place and within the time required for the deposit of proxies or either delivered to the office of the Company, 2300 – 1177 West Hastings Street, Vancouver, BC V6E 2K3, (attention: Frances Petryshen) at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or with the Chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting, or (c) registering with the Scrutineer at the Meeting as a registered shareholder present in person and indicating you wish to revoke your deposited proxy, whereupon any proxy executed and deposited by such registered shareholder will be deemed to have been revoked.

Only registered shareholders have the right to revoke a proxy. If you are not a registered shareholder and you wish to change your vote you must, at least seven (7) days before the Meeting, arrange for the intermediary which holds your common shares without par value in the capital stock of the Company (“**Common Shares**”) to revoke the proxy given by them on your behalf.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of VR Resources Ltd. (the “**Company**”) for use at the Annual Meeting of the Company’s shareholders (the “**Meeting**”) to be held on **Thursday August 27, 2020** at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

PROXY INSTRUCTIONS

The Company is sending its Information Circular and proxy-related materials to the registered shareholders or beneficial shareholders. The Company does not intend to pay for intermediaries to forward to objecting beneficial owners under NI 54-101 the Information Circular and proxy-related material and that the objecting beneficial owner will not receive the materials unless the objecting beneficial owner's intermediary assumes the cost of delivery.

The persons named in the accompanying proxy are current directors and/or officers of the Company. **If a shareholder wishes to appoint some other person (who need not be a shareholder) to represent that shareholder at the Meeting the shareholder may do so, either by striking out the printed names and inserting the desired person's name in the blank space provided in the proxy or by completing another proper proxy and in either case delivering the completed and executed proxy to the Company's transfer agent, TSX Trust Company, Proxy Dept., 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, or fax to 416-595-9593 or by voting online by going to www.voteproxyonline.com and enter the 12-digit control number located on the face of the Proxy, not later than 10:00 a.m., Pacific Time, on August 25, 2020 or, with respect to any matter occurring after the reconvening of any adjournment of the Meeting, not less than one business day prior to the day set for the recommencement of such adjourned Meeting. Proxies delivered after such times will not be accepted. In particular, proxies may not be delivered to the Chairman at the Meeting.**

To be valid, the proxy must be dated and be signed by the shareholder or by a duly appointed attorney for such shareholder, or, if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer. If a proxy is signed by a person other than the registered shareholder, or by an officer of a registered corporate shareholder, the Chairman of the Meeting may require evidence of the authority of such person to sign before accepting such proxy.

THE SHARES REPRESENTED BY PROXY WILL, ON A POLL, BE VOTED OR WITHHELD FROM VOTING BY THE PROXY HOLDER IN ACCORDANCE WITH THE INSTRUCTIONS OF THE PERSON APPOINTING THE PROXYHOLDER ON ANY BALLOT THAT MAY BE CALLED FOR AND, IF A CHOICE HAS BEEN SPECIFIED WITH RESPECT TO ANY MATTER TO BE ACTED UPON, THE SHARES WILL BE VOTED ACCORDINGLY.

ON A POLL, IF A CHOICE WITH RESPECT TO SUCH MATTERS IS NOT SPECIFIED OR IF BOTH CHOICES HAVE BEEN SPECIFIED, THE PERSON APPOINTED PROXYHOLDER WILL VOTE THE SECURITIES REPRESENTED BY THE PROXY AS RECOMMENDED BY MANAGEMENT (WHICH, IN THE CASE OF THE MEETING, WILL BE IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF MANAGEMENT FOR DIRECTORS AND AUDITORS).

The enclosed proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person(s) appointed proxyholder(s) thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and which may properly come before the Meeting. At the time of the printing of this Information Circular, management knows of no such amendment, variation or other matter which may be presented to the Meeting.

NON-REGISTERED (BENEFICIAL) SHAREHOLDERS

The information set out in this section is important to many shareholders as a substantial number of shareholders do not hold their Common Shares in their own name.

Only registered shareholders or duly appointed proxyholders for registered shareholders are permitted to vote at the Meeting. Most of the shareholders of the Company are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares.

More particularly, a person is not a registered shareholder in respect of Common Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either (a) in the name of an intermediary (the “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans), or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101, the Company has distributed the Notice Documents to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Notice Documents to Non-Registered Holders unless a Non-Registered Holder has requested paper copies of the Meeting Materials (in which case the Intermediary will forward the Meeting Materials to the Non-Registered Holder). Very often, Intermediaries will use service companies to forward the Notice Documents or Meeting Materials, as applicable, to Non-Registered Holders. Generally, if you are a Non-Registered Holder and you have not waived the right to receive the Notice Documents or Meeting Materials, as applicable, you will either:

- (a) be given a **form of proxy which has already been signed by the Intermediary** (typically by a facsimile, stamped signature) which is restricted to the number of Common Shares beneficially owned by you, but which is otherwise not complete. Because the Intermediary has already signed the proxy, this proxy is not required to be signed by you when submitting it. In this case, if you wish to submit a proxy you should otherwise properly complete the executed proxy provided and deposit it with the **Company’s Registrar and Transfer Agent, TMX Trust Company**, as provided above; or
- (b) more typically, a Non-Registered Holder will be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**proxy**”, “**proxy authorization form**” or “**voting instruction form**”) which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page printed form, the voting instruction form will consist of a regular printed proxy accompanied by a page of instructions that contains a removable label containing a bar-code and other information. In order for the proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the proxy, properly complete and sign the proxy **and return it to the**

Intermediary or its service company (not the Company or TSX Trust Company) in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. If you are a Non-Registered Holder and you wish to vote at the Meeting in person as proxyholder for the Common Shares owned by you, you should strike out the names of the management designated proxyholders named in the **proxy authorization form or voting instruction form and insert your name in the blank space provided. In either case, you should carefully follow the instructions of your Intermediary, including when and where the proxy, proxy authorization or voting instruction form is to be delivered.**

Non-Registered Holders fall into two categories - those who object to their identity being made known to the issuers of securities which they own (“**OBO’s**”) and those who do not object to their identity being made known to the issuers of securities which they own (“**NOBO’s**”). Subject to the provision of NI 54-101 issuers may request and obtain a list of their NOBO’s from the Intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBO’s.

The Notice Documents or Meeting Materials, as applicable, are being sent to both registered shareholders and NOBO’s. If you are a NOBO, and the Company or its agent has sent the Notice Documents or Meeting Materials, as applicable, to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

If you are an OBO, you should be aware that management of the Company does not intend to pay for Intermediaries to forward to OBO’s (who have not otherwise waived their right to receive proxy-related materials) under NI 54-101 the Notice Documents or Meeting Materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary. Accordingly, an OBO will not receive the materials, unless the OBO’s Intermediary assumes the cost of delivery.

RECEIPT OF FINANCIAL STATEMENTS

The directors will place before the Meeting the financial statements for the year ended March 31, 2020 together with the auditors' report thereon. These financial statements were filed on SEDAR www.sedar.com on June 18, 2020.

ELECTION OF DIRECTORS

The directors of the Company are elected at each annual meeting and hold office until the next annual meeting or until their successors are elected or appointed, unless his office is earlier vacated in accordance with the articles of the Company (the "**Articles**") or with the provisions of applicable corporate legislation. In the absence of instructions to the contrary, the enclosed form

The advance notice provision is the framework by which the Company seeks to fix a deadline by which holders of record of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form. The Company did not receive notice of any director nominations in connection with the Meeting within the time periods prescribed by the Articles. Accordingly, at the Meeting, the only persons eligible to be nominated for election to the Board are the nominees set forth below.

(a Company controlled by Blaine Bailey) to provide CFO and related services for the sum of \$2,000 per month. The term of the contract is for one year, renewable for a successive one year term and may be terminated by either party with 90 days’ notice. There are no provisions in the consulting services agreement with Promaid with respect to, or any incremental payments that will be triggered by or result from, a change of control, severance, termination or constructive dismissal.

If, effective March 31, 2020, the Company had terminated the employment agreement without cause, within 12 months after a change of control of the Company (as defined in the employment agreement) Mr. Gunning would have been entitled to receive a total of \$192,000 from the Company, such amounts representing the estimated incremental payments upon termination.

If, effective March 31, 2020, the Company terminated the employment agreement due to any material adverse change in the salary, duties, responsibilities or other conditions of employment,

Mr. Gunning would have been entitled to receive a total of \$192,000 from the Company, such amounts representing the estimated incremental payments upon termination.

All amounts payable to Mr. Gunning would be subject to all applicable deductions for income tax and other statutory deductions.

Oversight and Description of Director and NEO Compensation

The Company does not have a formal compensation program and at this time management feels that it is unnecessary at this early stage of development. The Company has recently appointed a Corporate Governance, Nominating and Compensation Committee. The Committee and the Board have approved a policy outlining the responsibilities of the Committee including an annual review of the compensation of the President and CEO. The Company's current compensation program for the President and CEO is comprised of base salary or fees, short term incentives such as discretionary bonuses and long-term incentives such as stock options.

The Plan is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Company to attract and retain individuals with experience and ability and to reward individuals for current performance and expected future performance. The Board considers stock option grants when reviewing executive officer compensation packages as a whole. The Board has sole discretion to determine the key employees to whom it recommends that grants be made and to determine the terms and conditions of the options forming part of such grants. The Board approves ranges of stock option grants for each level of executive officer. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of the position to the Company. The number of stock options which may be issued under the Plan in the aggregate and in respect of any fiscal year is limited under the terms of the Plan and cannot be increased without shareholder approval.

Each director is eligible to receive stock options pursuant to the Plan.

Pension Plan Benefits

The Company has no pension, defined benefit or defined contribution plans in place.

Termination and Change of Control Benefits

Effective April 1, 2017, the Company has entered into an employment agreement with Mr. Gunning where he will be paid a full-time annual salary of \$192,000 to serve as President and CEO of the Company. The employment agreement includes change of control provisions whereby the Company will pay the employee a severance package equal to two times annual fixed remuneration and the average annual bonus multiplied by the number of completed months in the current fiscal year up to the change of control date. See "Employment, Consulting and Management Agreements".
