A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of the Company for use at the Annual Meeting of the Company’s shareholders (the “**Meeting**”) to be held on **Thursday August 31, 2023** at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone/email by directors, officers and employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

NOTICE AND ACCESS PROCESS

The Company is sending its proxy-related materials to the registered shareholders or beneficial shareholders using “notice and access”, as defined in National Instrument 54-101 –

Communication with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”). Although the Meeting Materials will be posted electronically, shareholders will receive paper copies of a Notice-and-Access notification form, a form of proxy or voting instruction form and an annual request form (the “**Notice Documents**”) to request copies of the Company’s financial statements for the 2024 fiscal year.

Shareholders may request paper copies of the Notice of Meeting and Information Circular (the “**Information Circular**” and together with the Notice of Meeting the “**Meeting Materials**”), by calling the toll-free number **1-888-290-1175** (within North America) or **1-587-885-0960** (direct from outside North America). Requests may be made up to one year from the date. The Meeting Materials were filed on www.sedar.com (“**SEDAR**”) and the Company’s website at www.vrr.ca.

The Company will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access provisions, meaning that both registered and non-registered shareholders will be mailed a notification of availability of the Meeting Materials.

Requests for paper copies should be received at least five (5) business days in advance of the proxy cut-off date set out in the proxy or voting instruction form in order to receive the Meeting Materials in advance of the date of the Meeting. Requests for paper copies received on or after the Meeting date will be mailed within ten (10) calendar days of the request.

All costs of this solicitation will be borne by the Company.

SHAREHOLDERS ARE REMINDED TO VIEW THE MEETING MATERIALS PRIOR TO VOTING

PROXY INSTRUCTIONS

The Company is sending its Notice Documents to its registered shareholders and beneficial shareholders. The Company does not intend to pay intermediaries to forward to objecting beneficial shareholders, under NI 54-101, the Notice Documents and as such the objecting beneficial shareholders will not receive the Notice Documents or Meeting Materials unless the objecting beneficial shareholders’ intermediary assumes the cost of delivery.

The persons named in the accompanying proxy are current directors and/or officers of the Company. If a shareholder wishes to appoint some other person, (who need not be a shareholder) to represent that shareholder at the Meeting, the shareholder may do so, either by striking out the printed names and inserting the desired person’s name in the blank space provided in the proxy or by completing another proper proxy and in either case delivering the completed and executed proxy to the Company’s transfer agent, Odyssey Trust Company, 350 – 409 Granville Street, Vancouver, BC V6C 1T2, or fax to 1-800-517-4553 or by voting online by going to <https://login.odysseytrust.com/pxlogin> and enter the 12-digit control number located on the face of the Proxy, not later than 10:00 a.m., Pacific Time, on **August 29, 2023** or, with respect to any matter occurring after the reconvening of any adjournment of the Meeting, not less than one business day prior to the day set for the recommencement of such adjourned Meeting. Proxies delivered after such times will not be accepted. In particular, proxies may not be delivered to the Chairman at the Meeting.

To be valid, the proxy must be dated and be signed by the shareholder or by a duly appointed attorney for such shareholder, or, if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer. If a proxy is signed by a person other than the registered shareholder, or by an officer of a registered corporate shareholder, the Chairman

of the Meeting may require evidence of the authority of such person to sign before accepting such proxy.

THE SHARES REPRESENTED BY PROXY WILL, ON A POLL, BE VOTED OR WITHHELD FROM VOTING BY THE PROXY HOLDER IN ACCORDANCE WITH THE INSTRUCTIONS OF THE PERSON APPOINTING THE PROXYHOLDER ON ANY BALLOT THAT MAY BE CALLED FOR AND, IF A CHOICE HAS BEEN SPECIFIED WITH RESPECT TO ANY MATTER TO BE ACTED UPON, THE SHARES WILL BE VOTED ACCORDINGLY.

ON A POLL, IF A CHOICE WITH RESPECT TO SUCH MATTERS IS NOT SPECIFIED OR IF BOTH CHOICES HAVE BEEN SPECIFIED, THE PERSON APPOINTED PROXYHOLDER WILL VOTE THE SECURITIES REPRESENTED BY THE PROXY AS RECOMMENDED BY MANAGEMENT (WHICH, IN THE CASE OF THE MEETING, WILL BE IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF MANAGEMENT FOR DIRECTORS AND AUDITORS).

The proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person(s) appointed proxyholder(s) thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and which may properly come before the Meeting. At the time of the printing of this Information Circular, management knows of no such amendment, variation or other matter, which may be presented to the Meeting.

NON-REGISTERED (BENEFICIAL) SHAREHOLDERS

The information set out in this section is important to many shareholders as a substantial number of shareholders do not hold their Common Shares in their own name.

Only registered shareholders or duly appointed proxyholders for registered shareholders are permitted to vote at the Meeting. Most of the shareholders of the Company are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares.

More particularly, a person is not a registered shareholder in respect of Common Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either (a) in the name of an intermediary (the “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101, the Company has distributed the Notice Documents to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Notice Documents to Non-Registered Holders unless a Non-Registered Holder has requested paper copies of the Meeting Materials (in which case the Intermediary will forward the Meeting Materials to the Non-Registered Holder). Very often, Intermediaries will use service companies to forward the Notice Documents or Meeting Materials, as applicable, to Non-Registered Holders. Generally, if you are a Non-Registered Holder and you

have not waived the right to receive the Notice Documents or Meeting Materials, as applicable, you will either:

- (a) be given a **form of proxy which has already been signed by the Intermediary** (typically by a facsimile, stamped signature) which is restricted to the number of Common Shares beneficially owned by you, but which is otherwise not complete. Because the Intermediary has already signed the proxy, this proxy is not required to be signed by you when submitting it. In this case, if you wish to submit a proxy you should otherwise properly complete the executed proxy provided and deposit it with the **Company's Registrar and Transfer Agent, Odyssey Trust Company**, as provided above; or
- (b) more typically, a Non-Registered Holder will be given a voting instruction form (VIF) which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**proxy**", "**proxy authorization form**" or "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one-page printed form, the voting instruction form will consist of a regular printed proxy accompanied by a page of instructions. The VIF is to enable your vote to be submitted on stated matters. Please complete, sign, date and return the VIF as instructed. For internet voting follow the instructions on the website noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. If you are a Non-Registered Holder and you wish to vote at the Meeting in person as proxyholder for the Common Shares owned by you, you should strike out the names of the management designated proxyholders named in the **proxy authorization form or voting instruction form and insert your name in the blank space provided. In either case, you should carefully follow the instructions of your Intermediary, including when and where the proxy, proxy authorization or voting instruction form is to be delivered.**

Non-Registered Holders fall into two categories - those who object to their identity being made known to the issuers of securities which they own ("**OBO's**") and those who do not object to their identity being made known to the issuers of securities which they own ("**NOBO's**"). Subject to the provision of NI 54-101 issuers may request and obtain a list of their NOBO's from the Intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBO's.

The Notice Documents or Meeting Materials, as applicable, are being sent to both registered shareholders and NOBO's. If you are a NOBO, and the Company or its agent has sent the Notice Documents or Meeting Materials, as applicable, to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

If you are an OBO, you should be aware that management of the Company does not intend to pay for Intermediaries to forward to OBO's (who have not otherwise waived their right to receive

proxy-related materials) under NI 54-101 the Notice Documents or Meeting Materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary. Accordingly, an OBO will not receive the materials, unless the OBO's Intermediary assumes the cost of delivery.

Stock Option Plan

The Company's stock option plan (the "**Option Plan**") provides that the maximum number of options eligible for issuance under the Option Plan is equal to 10% of the number of common shares of the Company outstanding from time to time. As required by the policies of the Exchange, as this plan is considered a "rolling plan" it requires approval by the shareholders of the Company on an annual basis, which will be sought at the Meeting. Refer to "Particulars of Other Matters to be Acted Upon – Annual Approval of Rolling Stock Option Plan" for further details.

Long Term Incentive Plan

On July 6, 2023, the Company's board of directors approved the adoption of a long term incentive plan (the "**LTIP**"). The LTIP is expected to be used to grant RSUs and DSUs to directors, officers

(including Named Executive Officers) and employees of the Company, as additional compensation and as an opportunity to participate in the success of the Company. The granting of such RSUs and DSUs is intended to align the interests of such persons with that of the Shareholders.

In determining the number of RSUs and DSUs to be granted to directors or executive officers, including the Named Executive Officers, the Board will take into account, among other things:

- the number of options, if any, previously granted to each director or executive officer; and
- the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the Exchange and closely align the interests of the directors and executive officers with the interests of shareholders.

The CGNC, which includes independent members of the Board, have the responsibility of administering the compensation policies related to the directors and executive management of the Company, including option-based awards. See *“Particulars of Matters to be Acted Upon – Approval of Long Term Incentive Plan”* for further details.

Employment, Consulting and Management Agreements

Effective January 2, 2017, the Company entered into a consulting services agreement with Promaid Services Ltd. (a company controlled by Blaine Bailey) to provide CFO and related services for the sum of \$2,000 per month. The term of the contract is for one year, renewable for a successive one-year term and may be terminated by either party with 90 days’ notice. There are no provisions in the consulting services agreement with Promaid with respect to, or any incremental payments that will be triggered by or result from, a change of control, severance, termination or constructive dismissal.

Effective April 1, 2017, the Company entered into an employment agreement with Mr. Gunning (the **“employee”**) where he will be paid a full-time annual salary of \$192,000 (the **“Annual Remuneration”**) to serve as President and CEO of the Company and may be paid an annual bonus (not to exceed the Annual Remuneration) as determined by the Company’s compensation committee and approved by the Board (the **“Annual Bonus”**). The employment agreement contains termination provisions, including in connection with a change of control, summarized as follows:

- (a) The employee may terminate the employment agreement by giving 90 days’ written notice to the Company, in which case the employee will not be entitled to any severance payment but will be entitled to receive all Annual Remuneration earned to the date of cessation of employment, together with any outstanding earned but untaken vacation pay, reimbursement of any expenses and Annual Bonus in respect of a completed fiscal year which has been earned but not paid, and continuation of the employee’s group insurance benefits for a period of three months after the date of cessation of employment (collectively, the **“Final Wages”**).
- (b) If there is a change of control of the Company (as defined in the employment agreement): (i) the employee may terminate the employment agreement within 90 days following the change of control by giving 60 days’ written notice to the Company; and (ii) the employee may terminate the employment agreement for good cause on two weeks’ notice and the Company may terminate the

employment agreement without cause, in each case within twelve months of a change of control, and, in the case of (i) and (ii), upon such termination, the Company will pay the employee the Severance Package together with an additional lump sum equal to two times the Annual Remuneration and the three--ear average Annual Bonus multiplied by the number of completed months in the current fiscal year up to the termination date (the “**Additional Lump Sum**”).

- (c) The Company may terminate the employment agreement without cause at any time by written notice and the employee may terminate the employment agreement on two weeks’ notice for “good cause” (as defined in the employment agreement), upon which the employee will be entitled to the Final Wages and an additional lump sum amount equivalent to two weeks’ salary for every year worked (collectively the “**Severance Package**”).

- (e) The Company will be deemed to have terminated the employment agreement immediately on the occurrence of any material adverse change in the salary, duties, responsibilities or other conditions of employment in which case the Company is required to pay to the employee the Severance Package.

All amounts referred to above are exclusive of applicable taxes.

Under the employment agreement:

- (a) “**good cause**” is defined as (i) a material reduction in the employee’s responsibilities, title or reporting, except as a result of the employee’s disability; (ii) any reduction by the Company in the employee’s then current Annual Remuneration or any material reduction in the employee’s opportunity to earn an Annual Bonus, not attributable to changes in economic or other conditions not within the Company’s control; (iii) relocation of the employee’s principal office location more than 50 kilometres; or (iv) any other circumstances which would constitute a construction dismissal at common law; and
- (b) “**change of control**” is defined as follows and shall be deemed to have occurred when:
 - (i) a person becomes a “control person: (as that term is defined in the *Securities Act* (British Columbia)) of the Company;
 - (ii) a majority of the directors are not individuals nominated by the Company then incumbent Board; or

- (iii) any person or group of persons acquires the ability, directly or indirectly, to direct the management and policies of the Company through: (A) the legal or beneficial ownership of voting securities; (B) the right to appoint managers, directors or corporate management; (C) contract; (D) operating agreement; or (E) voting trust.

If, effective March 31, 2023, the Company had terminated the employment agreement without cause, within 12 months after a change of control of the Company (as defined in the employment agreement) Mr. Gunning would have been entitled to receive a total of \$384,000 from the Company, such amounts representing the estimated incremental payments upon termination.

If, effective March 31, 2023, the Company terminated the employment agreement due to any material adverse change in the salary, duties, responsibilities or other conditions of employment, Mr. Gunning would have been entitled to receive a total of \$192,000 from the Company, such amounts representing the estimated incremental payments upon termination.

All amounts payable to Mr. Gunning would be subject to all applicable deductions for income tax and other statutory deductions.

Oversight and Description of Director and NEO Compensation

The Company does not have a formal compensation program and at this time and management feels that it is unnecessary at this early stage of development. The Company has a Corporate Governance, Nominating and Compensation Committee. The GNCC and the Board have approved a policy outlining the responsibilities of the Committee including an annual review of the compensation of the President and CEO.

In keeping with the relatively simple compensation structure adopted by most venture issuers, the Company's executive compensation for its executive officers currently has two primary components, cash compensation and incentive stock options and, if approved, the LTIP will also be included as part of the executive compensation

Compensation Review Process

The Company does not have a formal compensation program. The Company's officers with the exception of the President and CEO in most cases are compensated based on a daily or fixed monthly, amounts and are paid indirectly through professional management and consulting companies in which they are owners, contractors or employees.

In establishing fees or salaries for the Company's CEO, other executive officers and directors, consideration is given to salary ranges for comparable positions in similar size resource industry companies. Data for such comparisons is obtained from the evaluation of compensation against industry peers including those with a similar market capitalization, in the business of exploring similar minerals in similar jurisdictions, and from reviewing similar other companies' compensation information included in their information circulars. In setting salaries within competitive ranges, the Company considers performance related factors including the Company's overall results during the past year and its performance relative to a budgeted plan or stated objectives. Consideration also is given to an individual's contribution to the Company and the accomplishments of departments for which that officer has management responsibility, and the potential for future contributions to the Company.

Compensation Risk Assessment and Mitigation

Although the Company does not have formal policies specifically targeting risk-taking in a compensation context, the practice of management and the Board is to consider all factors relating to an executive officer's performance, including any risk mitigation efforts or excessive risk-taking, in determining compensation.

Under the Company's policies, executive officers and directors are not permitted to purchase financial instruments (including prepaid variable contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the executive officer or director.

Elements of Executive Compensation Program

The Company's compensation program consists of the following elements:

- (a) base salary or consulting fees;
- (b) bonus payments;
- (c) equity participation through the Option Plan; and
- (d) if approved, equity participation through the LTIP.

Base Salary or Consulting Fees

Base salary ranges for NEOs were initially determined upon review of salaries paid by other companies that are comparable in size to the Company.

In determining the base salary of a NEO, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the same industry, which were similar in size and stage of development as the Company;
- (c) the experience level of the NEO;
- (d) the amount of time and commitment which the NEO devotes to the Company; and
- (e) the NEO's overall performance and performance in relation to the achievement of corporate milestones and objectives.

Bonus Payments

Each of the NEOs, as well as all employees, are eligible for an annual bonus, payable in cash or through option-based compensation. The amount paid is based on the Board's assessment of the Company's performance for the year. Factors considered in determining bonus amounts include individual performance, financial criteria (such as cash management and share price performance) and operational criteria (such as significant acquisitions of mineral properties and the attainment of corporate milestones). Pursuant to the employment agreement with Mr.

Gunning as outlined hereinabove there was no bonus paid or accrued as at March 31, 2023.

Equity Participation

The Company currently offers equity participation in the Company through the Option Plan and, if approved at the Meeting, anticipates offering equity participation in the future through the LTIP.

Executive Compensation

Except for the grant of Options to the NEOs and any compensation payable pursuant consulting fees incurred for the performance of duties by the CEO the CFO, there are no additional arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

Director Compensation

The Company does not currently pay compensation to non-management directors, nor are they paid for attendance at board meetings. The directors are reimbursed for expenses occurred in carrying out their duties as directors and are granted Options and may in the future be granted awards under the LTIP. The Board at its discretion may in the future elect to award directors fees for meeting attendance and chair committee members pursuant to industry standards.

The Company's current Option Plan (See Particular Matters to be Acted On) allows the Company to grant Options to the officers, employees, consultants and directors. The purpose of granting such Options is to assist the Company in compensating, attracting, retaining and motivating the directors of the Company and to closely align the personal interests of such persons to that of the Shareholders.

If approved, the LTIP will also allow for equity compensation to directors, officers employees and consultants of the Company.

Pension Plan Benefits

The Company has no pension, defined benefit or defined contribution plans in place.

Termination and Change of Control Benefits

Effective April 1, 2017, the Company entered into an employment agreement with Mr. Gunning whereby he will be paid a full-time annual salary of \$192,000 to serve as President and CEO of the Company. The employment agreement includes change of control provisions whereby the Company will pay the employee a severance package equal to two times annual fixed remuneration and the average annual bonus multiplied by the number of completed months in the current fiscal year up to the change of control date. See "Employment, Consulting and Management Agreements".

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

Management of the Company recommends that shareholders vote FOR the resolution approving the Option Plan.

Approval of Long Term Incentive Plan

The Company has a long term incentive plan (the “**LTIP**”) which was recently approved by the Board, subject to final acceptance from the Exchange and the receipt of approval of the disinterested shareholders (“**Disinterested Shareholders**” as further defined hereinbelow as well as continued approval of the Exchange on an annual basis. If shareholder and regulatory approvals are obtained, implementation of the LTIP will be at the sole discretion of the Board. The full text of the LTIP is attached hereto as Schedule “C”).

As required by the Exchange, the Company will seek Disinterested Shareholder Approval of the LTIP at the Meeting. Under the policies of the Exchange “**Disinterested Shareholders**” are Shareholders of the Company other than (a) Insiders (as such term is defined under Exchange policies), including directors and senior officers of the Company, to whom Units (as defined herein) may be granted under the LTIP; and (b) Associates (as such term is defined under Exchange policies) of any such Insiders. As such, the votes attaching to an aggregate of approximately **7,946,661** Common Shares, which are beneficially owned or over which control or direction is exercised by the directors and senior officers of the Company and subsidiaries and their respective associates, representing approximately **6.9%** of the Company’s issued Common Shares entitled to vote at the Meeting, will be withheld from voting on the resolution approving the LTIP.

The purpose of the LTIP is to advance the Company’s interests by (a) increasing the proprietary interests of eligible participants in Company; (b) aligning the interests of eligible participants with the interests of the Shareholders of the Company generally; (c) encouraging eligible participants to remain associated with the Company; and (d) furnishing eligible participants with an additional incentive to achieve the goals of the Company. Under the LTIP, “eligible participants” are RSU Participants and DSU Participants, as described below under the headings “*Restricted Share Units*” and “*Deferred Share Units*”, respectively.

Under the terms of the LTIP, the Board may grant units (“**Units**”), which may be either restricted share units (“**Restricted Share Units**” or “**RSUs**”) or deferred share units (“**Deferred Share Units**” or “**DSUs**”) to eligible participants. Each Unit represents the right to receive one Common Share in accordance with the terms of the LTIP. Participation in the LTIP is voluntary and, if an eligible participant agrees to participate, the grant of Units will be evidenced by an agreement between the Company and the participant (an “**Award Agreement**”). The interest of any participant in any Unit may not be transferred or assigned except by testamentary disposition or in accordance with the laws governing the devolution of property upon death.

Subject to the policies of the Exchange, the maximum number of Common Shares the Company is entitled to issue from treasury under the LTIP for payments in respect of awards of DSUs and for payments in respect of awards of RSUs, at any time, shall not exceed **11,396,636** representing

10% of the Company's outstanding Shares, on a non-diluted basis, as constituted on the Effective Date (the "**LTIP Limit**").

The LTIP, together with all other previously established or proposed share compensation arrangements of the Company (including the Option Plan), may not result in:

- (a) the issuance to insiders as a group, within a one year period, of a number of Common Shares exceeding 10% of the then issued and outstanding Shares; or
- (b) the issuance to any one person, within a one year period, of a number of Common Shares exceeding 5% of the then issued and outstanding Common Shares; or
- (c) the issuance to any one consultant, within a one year period, of a number of Common Shares exceeding 2% of the then issued and outstanding Common Shares;

Restricted Share Units

An officer, director or employee of the Company who has been designated by the Company for participation in the LTIP and who agrees to participate in the LTIP is an eligible participant to receive RSUs under the LTIP (an "**RSU Participant**").

RSUs will vest and be redeemable as determined by the Board or the CGNC, as applicable, provided that all RSUs granted under a particular award shall vest on or before December 31 of the calendar year which is three (3) years following the calendar year in which the service was performed in respect of which the particular award was made (the "**Final Vesting Date**"). The Board and the CGNC, at the time of granting an RSU will also determine the "**Restricted Period**", being any period of time that a RSU is not redeemable and the RSU Participant holding such RSU remains ineligible to receive Shares issuable upon expiry of an applicable Restricted Period ("**Restricted Shares**"), determined by the Board or the CGNC in its absolute discretion, provided however, that such period of time may be reduced or eliminated from time to time and at any time and for any reason as determined by the Board or the CGNC, including but not limited to circumstances involving death or disability of a RSU Participant.

In the event that any Restricted Period expires during or within 48 hours of a self-imposed blackout period on the trading of securities of the Company, such expiry will occur on the day immediately following the end of the blackout period, or such 48 hour period, as applicable; provided that the Restricted Period as amended pursuant does not exceed the Final Vesting Date.

On each of the expiry dates of a Restricted Period with respect to an RSU (each an "**RSU Vesting Date**"), the Company shall decide, in its sole discretion, whether to make all payments in respect of vested RSUs to the RSU Participant in cash, in Common Shares issued from treasury, or a combination of cash and Shares issued from treasury based on the fair market value of the Common Shares as at the RSU Vesting Date in accordance with the provisions of the LTIP. For the purposes of the LTIP, the "**fair market value**" with respect to a Common Share on any date is the weighted average trading price of the Common Shares on the TSXV for the five trading days immediately preceding the RSU Vesting Date or RSU Termination Date (as defined below), as applicable.

If an RSU Participant ceases to be an eligible participant under the LTIP due to termination with cause or voluntary termination by the RSU Participant, all unvested RSUs previously credited to such participant's account are terminated and forfeited as of the termination date. If an RSU Participant ceases to be an eligible participant under the LTIP due to termination without cause, death, total or permanent long-term disability or retirement, any unvested RSUs previously

credited to such participant's account will be terminated and forfeited as of the termination date, or fully vest at the discretion of the Board.

In the event the Company pays a dividend on the Shares subsequent to the granting of an RSU award, the number of RSUs relating to such award shall be increased to reflect the amount of the dividend in accordance with the provisions of the LTIP. In the event the Company pays a dividend on the Shares subsequent to the granting of a RSU award, the number of RSUs relating to such award shall be increased to reflect the amount of the dividend in accordance with the provisions of the LTIP, notwithstanding any dividend settled in Shares may not exceed the maximum aggregate number of Shares to be issued under the LTIP, and shall be settled in cash in the event a sufficient number of Shares are not available under LTIP to satisfy the Company's obligations in respect of such dividends.

Deferred Share Units

An officer, director, or employee (but not a consultant) of the Company who has been designated by the Company for participation in the LTIP and who agrees to participate in the LTIP is an eligible participant to receive DSUs under the LTIP (a "**DSU Participant**").

All DSUs awarded to a DSU Participant will vest on the date on which the DSU Participant ceases to be a DSU Participant for any reason, other than involuntary termination with cause or involuntary removal as a director of the Company, including, without limiting the generality of the foregoing, as a result of retirement, death or involuntary termination without cause (the "**DSU Termination Date**"), unless otherwise determined by the Board at its sole discretion. In the event a DSU Participant ceases to be a DSU Participant due to involuntary termination with cause, or if applicable, involuntary removal as a director of the Company, all DSUs which did not become vested on or prior to such date of involuntary termination with cause or involuntary removal shall be terminated and forfeited as of such date of involuntary termination with cause or involuntary removal.

On the DSU Termination Date, payment in respect of a DSU Participant's DSU becomes payable and the Company will decide, in its sole discretion, whether to make the payment in cash, in Shares issued from treasury, or a combination of cash and Shares issued from treasury based on the fair market value of the Shares as at the DSU Termination Date in accordance with the provisions in the LTIP.

In the event the Company pays a dividend on the Shares subsequent to the granting of a DSU award, the number of DSUs relating to such award shall be increased to reflect the amount of the dividend in accordance with the provisions of the LTIP, notwithstanding any dividend settled in Shares may not exceed the maximum aggregate number of Shares to be issued under the LTIP, and shall be settled in cash in the event a sufficient number of Shares are not available under LTIP to satisfy the Company's obligations in respect of such dividends.

Ethical Business Conduct

- (e) where VR Resources decides to make any payments in respect of an Award of a Deferred Share Unit to a DSU Participant in Shares issued from treasury, VR Resources shall have the right to withhold, or to require the DSU Participant to remit to VR Resources, an amount sufficient to satisfy any Applicable Withholding Taxes. For greater certainty, VR Resources may decide in its sole discretion to satisfy any Applicable Withholding Taxes by withholding from the Shares otherwise deliverable to the DSU Participant such number of Shares having a value, determined as of the date that the payment is made, equal to the amount of the total withholding tax obligation.
- 4.3.3 Notwithstanding anything to the contrary in the Plan, in the event a DSU Participant ceases to be a DSU Participant due to involuntary termination with cause, or if applicable, involuntary removal as a director of VR Resources, all Deferred Share Units previously credited to such DSU Participant's Deferred Share Unit Account on or prior to such date of involuntary termination with cause or involuntary removal shall be terminated and forfeited as of such date of involuntary termination with cause or involuntary removal.
- 4.3.4 For greater certainty, no amount will be paid to, or in respect of, a DSU Participant under the Plan or pursuant to any other arrangement, and no other Deferred Share Units will be granted to such DSU Participant to compensate for a reduction in the fair market value of a Share, nor will any other form of benefit be conferred upon, or in respect of, a DSU Participant for such purpose.

4.4 Dividends Paid on Shares

- 4.4.1 Subject to Section 4.4.2, in the event VR Resources pays a Dividend on the Shares subsequent to the granting of an Award, the number of Deferred Share Units relating to such Award (the "**Original DSU**") shall be increased by an amount equal to:
 - (a) the product of: (i) the aggregate number of Original DSUs held by the DSU Participant on the record date for such Dividend; and (ii) the per Share amount of such Dividend (or, in the case of any Dividend payable in property other than cash, the per Share fair market value of such property as determined by the Board); divided by
 - (b) the Fair Market Value of a Share calculated as of the date that is three days prior to the record date for the Dividend.
- 4.4.2 In the event that VR Resources pays a Dividend on the Shares in additional Shares, the number of Original DSUs shall be increased by a number equal to the product of: (a) the aggregate number of Original DSUs held by the DSU Participant on the record date of such Dividend; and (b) the number of Shares (including any fraction thereof) payable as a Dividend on one Share.

Notwithstanding Section 4.4.1 and 4.4.2, any Dividend settled in Shares may not exceed the maximum aggregate number of Shares to be issued under this Plan, and shall be settled in cash in the event a sufficient number of Shares are not available under this Plan to satisfy the Company's obligations in respect of such Dividends

ARTICLE 5

ADJUSTMENTS AND MERGER AND ACQUISITION TRANSACTIONS

5.1 Adjustments

- 5.1.1 Board shall in its sole discretion, subject to the required approval of Exchange, determine the appropriate adjustments or substitutions to give effect to adjustments in the number of Shares resulting from subdivisions, consolidations, substitutions, reorganizations or reclassifications of the

Shares, the payment of Special Dividends by VR Resources (other than Ordinary Dividends in the ordinary course) or other changes in the capital of VR Resources or from a Merger and Acquisition Transaction. Any dispute that arises at any time with respect to any such adjustment will be conclusively determined by the Board, and any such determination will be binding on VR Resources, the Participant and all other affected parties.

5.2 Merger and Acquisition Transactions

5.2.1 In the event of a Merger and Acquisition Transaction or proposed Merger and Acquisition Transaction, subject to the required approval of Exchange:

- (a) the Board shall, in an appropriate and equitable manner, determine any adjustment to the number and type of Shares (or other securities or other property) that thereafter shall be made the subject of Awards;
- (b) the Board shall, in an appropriate and equitable manner, determine the number and type of Shares (or other securities or other property) subject to outstanding Awards;
- (c) the Board shall, in an appropriate and equitable manner, determine the acquisition price with respect to settlement or payment of any Award; provided, however, that the number of Shares covered by any Award or to which such Award relates shall always be a whole number;
- (d) the Board shall, in an appropriate and equitable manner, determine the manner in which all unvested Awards granted under this Plan will be treated including, without limitation, requiring the acceleration of the time for the vesting of such Awards by the Participants, the time for the fulfilment of any conditions or restrictions on such exercise, and the time for the expiry of such rights;
- (e) the Board or any company which is or would be the successor to VR Resources or which may issue securities in exchange for Shares upon the Merger and Acquisition Transaction becoming effective may offer any Participant the opportunity to obtain a new or replacement award for securities into which the Shares are changed or are convertible or exchangeable, on a basis proportionate to the number of Shares issuable under the Award (and otherwise substantially upon the terms of the Award being replaced, or upon terms no less favourable to the Participant) including, without limitation, the periods during which the Award may be exercised and expiry dates; and in such event, the Participant shall, if he accepts such offer, be deemed to have released his Award and such Award shall be deemed to have lapsed and be cancelled; and
- (f) the Board may commute for or into any other security or any other property or cash, any Award that is still capable of being exercised, upon giving to the Participant to whom such Award has been granted at least 30 days' written notice of its intention to commute such Award, and during such period of notice, the Award, to the extent it has not been exercised, may be exercised by the Participant without regard to any vesting conditions attached thereto, and on the expiry of such period of notice, the unexercised portion of the Award shall lapse and be cancelled.

Subsections (a) through (f) of this Section 5.2.1 may be utilized independently of, successively with, or in combination with each other and Section 5.1.1 and nothing therein contained shall be construed as limiting or affecting the ability of the Board to deal with Awards in any other manner. All determinations by the Board under this ARTICLE 5 will be final, binding and conclusive for all purposes.

5.2.2 The Board may, in its sole discretion, cancel any or all outstanding Awards and pay to the holders of any such Awards that are otherwise vested, in cash net of any Applicable Withholding Taxes, the

value of such Awards based upon the price per share of capital stock received or to be received by other shareholders of the Company in such event.

- 5.2.3 The grant of any Awards under this Plan will in no way affect VR Resources' right to adjust, reclassify, reorganize or otherwise change its capital or business structure, to complete a Merger and Acquisition Transaction or to merge, amalgamate, reorganize, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets or engage in any like transaction.
- 5.2.4 No adjustment or substitution provided for in this ARTICLE 5 will require VR Resources to issue a fractional share in respect of any or other Awards and the total substitution or adjustment with respect to each Award will be limited accordingly.

ARTICLE 6

This schedule sets forth special provisions of the Plan that apply to Participants subject to section 409A of the United States *Internal Revenue Code* of 1986, as amended. Terms defined in the Plan and used herein shall have the meanings set forth in the Plan, as amended from time to time.

1.1 Definitions

1.1.1 In this Schedule, the following terms have the following meanings:

- (a) **"Code"** means the United States *Internal Revenue Code* of 1986, as amended, and any applicable United States Treasury Regulations and other binding regulatory guidance thereunder;
- (b) **"Section 409A"** means section 409A of the Code;
- (c) **"Separation From Service"** shall mean shall mean the separation from service with VR Resources within the meaning of U.S. Treas. Regs. § 1.409A-1(h). Whether a Separation from Service has occurred is determined based on whether the facts and circumstances indicate that VR Resources and the Participant reasonably anticipated that no further services would be performed after a certain date or that the level of bona fide services the Participant would perform after such date (whether as an employee or independent contractor) would permanently decrease to no more than twenty percent (20%) of the average level of bona fide services performed (whether as an employee or an independent contractor) over the immediately preceding thirty six (36) month period (or the full period of services to VR Resources if the Participant has been providing services to VR Resources less than thirty six (36) months)). Separation from service shall not be deemed to occur while the Participant is on military leave, sick leave or other bona fide leave of absence if the period does not exceed six (6) months or, if longer, so long as the Participant retains a right to reemployment with VR Resources under an applicable statute or by contract. For this purpose, a leave is bona fide only if, and so long as, there is a reasonable expectation that the Participant will return to perform services for VR Resources. Notwithstanding the foregoing, a twenty-nine (29) month period of absence will be substituted for such six (6) month period if the leave is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of no less than six (6) months and that causes the Participant to be unable to perform the duties of his or her position of employment. For this purpose, "VR Resources" includes all entities would be considered a single employer for purposes of U.S. Treasury Regulations; provided that, in applying those regulations, the language "at least 50 percent" shall be used instead of "at least 80 percent" each place it appears therein. Notwithstanding the foregoing, with respect to a DSU Participant who is a director, a "Separation from Service" shall mean a complete severance of a director's relationship as a director of VR Resources and as an independent contractor of VR Resources. A director may have a Separation from Service upon resignation as a director even if the director then becomes an officer or employee of VR Resources;
- (d) **"Specified Employee"** means a US Taxpayer who meets the definition of "specified employee," as defined in Section 409A(a)(2)(B)(i) of the Code; and
- (e) **"US Taxpayer"** means a Participant whose compensation from VR Resources is subject to Section 409A.

2.1 Compliance with Section 409A

- 2.1.1 Notwithstanding any provision of the Plan to the contrary, it is intended that any payments under the Plan either be exempt from or comply with Section 409A, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A. Each payment made in respect of Restricted Share Units and Deferred Share Units shall be deemed to be a separate payment for purposes of Section 409A. Each US Taxpayer is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such US Taxpayer in connection with the Plan (including any taxes and penalties under Section 409A), and neither VR Resources nor any of its subsidiaries shall have any obligation to indemnify or otherwise hold such US Taxpayer (or any beneficiary) harmless from any or all of such taxes or penalties.
- 2.1.3 Solely to the extent required by Section 409A, any payment which is subject to Section 409A shall comply with the following:
- (a) a payment which becomes payable on account of a DSU Termination Date or an RSU Termination Date (for any reason, whether or not such termination is voluntary or involuntary, with or without notice, adequate notice or legal notice or is with or without legal or just cause or on account of Retirement, death or permanent disability) shall be payable by reason of such circumstance only if the circumstance is a Separation from Service; and if such payment has become payable on account of a Separation from Service to any employee who is determined to be a Specified Employee, such payment shall not be paid before the date which is six months after such Specified Employee's Separation From Service (or, if earlier, the date of death of such Specified Employee). Following any applicable six month delay of payment, all such delayed payments (without any accrued interest) shall be made to the Specified Employee in a lump sum on the earliest possible payment date;
 - (b) a payment which becomes payable on account of a Merger and Acquisition Transaction or other Change of Control shall not be payable by reason of such circumstance unless the circumstance is a "change in ownership," change in effective control," or "change in ownership of a substantial portion of assets" as defined under Section 409A (hereinafter, a **"409A Change of Control"**); and
 - (c) a payment which is scheduled to become payable on account of an RSU Vesting Date or other specified date certain shall not be accelerated on account of accelerated vesting or other intervening payment event unless such event itself qualifies as a Separation from Service, a 409A Change of Control or other payment event expressly permitted under Section 409A.
- 2.1.4 A US Taxpayer shall be required to pay to VR Resources, and VR Resources shall have the right and is hereby authorized to withhold, from any cash or other compensation payable under the Plan, or from any other compensation or amounts owing to the US Taxpayer, the amount of any required Applicable Withholding Taxes in respect of amounts paid under the Plan and to take such other action as may be necessary in the opinion of VR Resources to satisfy all obligations for the payment of such withholding and taxes.
- 2.1.5 If and to the extent use of the assets contributed to or held by any trust fund to pay distributions to a US Taxpayer could result in accelerated or additional tax to the US Taxpayer under Section 409A (including without limitation Section 409A(b)), payment to a US Taxpayer shall only be made with assets that have not been held in any trust fund, and the US Taxpayer shall have no right to or any interest in any of the assets of the no later than December 31 of the year in which the DSU Termination Date arises.

3.1 Amendment of Schedule

- 3.1.1 Notwithstanding Section 6.2 of the Plan, the Board shall retain the power and authority to amend or modify this schedule to the extent the Board in its sole discretion deems necessary or advisable to comply with any guidance issued under Section 409A. Such amendments may be made without the approval of any US Taxpayer.

We have executed sales of the Securities pursuant to Rule 904 of Regulation S under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), on behalf of the Seller. In that connection, we hereby represent to you as follows:

- (2) the sale of the Securities was executed in, on or through the facilities of the Toronto Stock Exchange, the TSX Venture Exchange, the Canadian Securities Exchange or another designated offshore securities market (as defined in Rule 902(b) of Regulation S under the U.S. Securities Act), and, to the best of our knowledge, the sale was not pre-arranged with a buyer in the United States;
- (3) no "directed selling efforts" were made in the United States by the undersigned, any affiliate of the undersigned, or any person acting on behalf of the undersigned; and
- (4) we have done no more than execute the order or orders to sell the Securities as agent for the Seller and will receive no more than the usual and customary broker's commission that would be received by a person executing such transaction as agent.

For purposes of these representations: "**affiliate**" means a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the undersigned; "**directed selling efforts**" means any activity undertaken for the purpose of, or that could reasonably be expected to have the effect of, conditioning the market in the United States for the Securities (including, but not be limited to, the solicitation of offers to purchase the Securities from persons in the United States); and "**United States**" means the United States of America, its territories or possessions, any State of the United States, and the District of Columbia.

Legal counsel to the Company shall be entitled to rely upon the representations, warranties and covenants contained herein to the same extent as if this affirmation had been addressed to them.
